

PRESENTS:

# Successfully Navigating the Admissions Process Seminar

Houston Educational Consultant **Carolyn Means, M. Ed.**, will provide a “navigating the admissions process” road map, helpful for Houston parents seeking to clarify best fit schools for their child, and best ways to highlight the strengths of the child/family throughout the process.

SOAR Enrichment Coach **Sandy Reckles** will introduce important “school readiness” components and how you, the parent, can nurture both them and the self-confidence so crucial to the academic, social, and emotional development of your child.
